Public Meeting will launch Hospital Auxiliary

The first concrete step in the formation of a Womens' Auxiliary to the Sturgeon General Hospital will be taken next Tuesday evening, May 27th. A public meeting will be held at eight o'clock at Youville Nursing Home on that date, to which all interested people from St. Albert and the Sturgeon district, including Morinville and Legal, are most warmly invited.

The meeting will be chaired by Mr. Gordon Townend, hospital administrator, and it is expected that an executive committee for the auxiliary will be formed that evening.

Mrs. A. Imgall will be one of the main speakers on the functions and responsibilities of a hospital auxiliary. She is immediate past president of the Alberta Hospital Auxiliaries Association, and well qualified to assist in setting up a new auxiliary.

Another authority on hospital auxiliary work, Mrs. Audrey Burns, will also speak to the meeting. Mrs. Burns is past president of the Norwood Auxiliary. Mr. Townend has had considerable experience in working closely with auxiliaries in other centres where he has served as administrator of hospitals and he, along with the two guests, will be able to present very complete information on the work of these bodies, and answer any questions in the minds of those attending.

In recent years some exceptionally fine work has been done by hospital auxiliaries in many parts of Canada, as these bodies have considerably enlarged the scope of their activities.

The emphasis has moved toward providing services for the comfort and morale of the patients, and many people, both men and women have found it one of the most rewarding areas of community service. By doing the ground work early it is hoped that the local hospital will have a first class auxiliary which will be a tremendous asset to the new hospital.

Mr. Norman Petty, left, president of Grandin Shoppers Park Association congratulates Mrs. M. Vanneste as he hands her a certificate for the big prize from the association's seventh anniversary sale held May 15th - 17th. Mr. Vanneste has a look at the beautiful stereo set they chose over the alternate prize of a trip for two to Las Vegas. The Vannestes live at 48 Belmont Drive.

Council briefs

Town Council has agreed to amend the Sunday bylaw to allow Sunday movies in accordance with new provincial legislation. Sunday movies at St. Albert Drive In Theatre will then be able to start at 9 p.m. instead of after midnight as this past weekend. (Which should get our teenagers home at a more reasonable hour, among other advantages.

** ** **

A request from Grandin Shoppers' Park Businessmen's Association to erect a directional and identification sign on town property adjacent to highway #2 immediately south of St. Albert 66 Service was turned down by Council.

The sum of $600 has been approved by Council for improving the baseball diamond in Mission Park. The diamond will be used by junior ball teams and the St. Albert Oilers.

The weather was not ready for pool opening last Saturday, but it opened anyway. By Tuesday things were going full swing and this group of swimmers photographed shortly after supper were enjoying a balmy pool temperature of about 80 degrees.

Young fencer does well

St. Albert's Shelley Wilson came up with one win in four bouts at the national fencing competitions held in Calgary last weekend - a quite remarkable performance for the youngest competitor in the three-day program. Shelley is 13 and the next youngest competitor in the womens events was 24. There were a total of 97 fencers on hand which was about 30 less than expected, but some were forced to cancel because of the air strike. They included the top Canadian fencers including Toronto's Harmony club and olympic competitors, and Shelley greatly enjoyed watching the experts perform and meeting many of them informally. She was the only entry from Edmonton. Next year her coach plans to enter Shelley in all the womens events after her fine showing this time.

Seventeen new members were inducted into St. Albert Lions Club at their regular meeting Tuesday evening. Pictured in back row from left are Fred Belland, Frank Campbell, Jack McKnight, Ken Armstrong, Peter McCaffery, Bernard Veness, Ken Phillips and Ken Fehr. In centre row are Doug Parkinson, Bill Jones, Peter Kostyniuk, John Lindley, Ivan Brewster, Vern Tompkins, Wells Seyo and Doug Phillips. Seated in front are Bill Webber, past president, Rod Throndson, president, inductee Ernie Holmgren and Dr. Wm. D. Cuts, membership chairman. Gazette Photo.

Sanctum bake sale goes Friday

St. Albert housewives are invited to have a holiday from weekend baking and take advantage of the sale of home baking being held Friday from 5:30 to 8:30 at Safeway's store by the Sanctum young people. Proceeds of the project are earmarked for extra tables needed at the teenagers hut and donations to the Sanctum will be gratefully accepted at the bake table as well.

Next major event at the Sanctum is a dance on June 6th and meantime it is open as usual on Friday evenings and all day and evening on Saturdays and Sundays. Students are invited to drop in and meet their friends anytime to listen to records, dance, have a gab and a snack or enjoy a variety of games on the go.

Concert

"Songs for Everyone" the first concert to be given by the Father Jan Glee Club, will be presented at the school auditorium this Sunday (May 25th). The Glee Club, under the direction of Mrs. Bertha Kennedy, was formed about two years ago and while they have performed at a number of various entertainments, this is their first major concert and the public is cordially invited. There are some 50 voices in the group, mostly Grade 5 and 6 students

Guides, Brownies have busy spring

What with year-end mother and daughter banquets and camping activities the more than 500 girls in the St. Albert Division of the Guide and Brownie movement and their leaders are enjoying a busy and interesting time this spring.

The Mackenzie District under district commissioner Mrs. Marion Brostrom held their banquet May 7th for about 400 girls, leaders and mothers in brownies, guides and rangers from Sturgeon, Mission and Braeside areas of St. Albert. A delightful skit was staged by the guides and Mrs. Z. Hameed a St. Albert teacher spoke to the gathering on Guiding in Africa, where she was raised. Following her talk she answered a barage of questions from the keenly interested girls.

Mrs. Hameed will also be the guest of the Grandin District banquet to be held this evening for approximately the same number of people. Mrs. Joan Brunner is the commissioner for this district.

Mio-we-ko-wan, the camp site established last year for St. Albert Division, is already into this season full swing. Last weekend saw 18 guides and a staff of five learning the ways of tent camping at the site under commondant Pauline Vaugeois, with Marion Brostrom serving as camp nurse. Most of the guides in attendance are working towards first class and going after their pioneer badges. This was the first of a series of four consecutive camping weekends for the guides. Brownies will have to wait until a temporary shelter can be erected at the camp as regulations prohibit the younger girls from camping without shelter.

The camp is available for district cubs and scouts as well and the boys and their leaders are working with the guides on plans for improving the site. Practically all labor is being done by volunteers and future plans call for a water well and gate Efforts are made to accommodate as many interested youth groups as possible who would like to use the camp.

On June 5th a Brownie Revel and Guide Rally is scheduled for all the girls in the St. Albert Division which embraces Winterburn, Morinville and the Alexander Indian Reserve as well as the Mackenzie and Grandin district. Mrs. Peter Sandomirsky is commissioner for the entire division, and this year has several girls working for Gold Cords a status comparable to that of Queen Scout in the scouting movement.

NEWCOMERS

We welcome the following to St. Albert:

Mr. and Mrs. H. Hennig and family; Mr. and Mrs. G. Hook; Mr. and Mrs. E. Harris and family; Mr. and Mrs. R. Nelson and family; and Mr. and Mrs. R. Bramwell and family of the Grandin Park area.

Mr. and Mrs. A. Purvis and family; Mr. and Mrs. Wm. Shaughnessy and family; and Mr. and Mrs. J. Szott and family of the Sturgeon Heights area, and Mr. Michael Hampel of Braeside.

The youngster advised his younger brother that he could be spared much agony and toil by refusing to learn to spell the first word.

"The minute you spell 'cat' you're trapped," he said. "After that, the words get harder and harder."

Street playing dangerous

The Gazette has received a number of calls from residents in various parts of St. Albert, expressing considerable concern over the fact that so many small children are consistently seen playing on the town streets. Youngsters learning to ride bicycles, groups playing hop scotch, marbles, skipping games and so on are in real danger, and it is noted that three children have been killed recently on Edmonton streets. Even the most careful driver is sometimes unable to avoid hitting a child running out without warning, and of course not all drivers are always careful. St. Albert is fortunate in having more open space for play than many centres and it is to be hoped more care can be taken to see that the roads are not used for this purpose.

Man showing doctor his wife's hand: "She did it preparing dinner," he said. "It's frostbite."

Local team competes in road race

Eleven members of St. Albert High School competed in the five mile Journal Road Race. All eleven finished the race in good condition.

The boys placed second in both the novice and high school team competition.

Best individual efforts were by Damion Bone who finished the race in 30 minutes and seven seconds and Pat Gleason who was 13 seconds behind Damian.

Others competing were: David Maurice, Anders Udsen, Keith Grant, Ray Gauthier, Brian Kupsch (staff), Robert Crossley, Darryl Tate, Bill Fowler, and Randy Purschke.

the Gazette REFLECTS

A tragic accident was narrowly avoided on Gordon Crescent during the weekend when two young children ran from behind a parked car into the path of a driver. Fortunately neither was hurt, but the driver had a moment of terror he will not soon forget, although he was in no way at fault.

This kind of situation happens far too often in St. Albert and seems particularly bad in spring. A tour around town reveals an astonishing number of two, three and four-year-olds playing on the roads.

St. Albert town council recently received a letter of congratulation from the Canada Safety Council on completing 1968 without a single traffic fatality. Let us take every precaution to see that a wee boy or girl is not a 1969 victim. The major responsibility must rest with the mothers of our pre-schoolers. Constant vigilance on the part of the drivers is also required, but it really isn't fair to them to have to cope with such large numbers of children playing on the roads.

Co-operation is also needed from car owners in the matter of using their driveways and avoiding parking on the street except when absolutely necessary. Let us strive to have another fatality free year.

Card of Thanks

Sincere thanks to Father Levangie, Dr. Gramlich and to all our relatives, friends and neighbours for their many acts of kindness and sympathy in our recent bereavement.

SWIMMING

If the weather co-operates, 1969 promises to be an exciting season. Lessons will start on June 2nd and registration will take place at the Clubhouse (beside the swimming pool) on Wednesday, May 21 and Saturday, May 24 from 3 till 9 p.m. on both days. (See the advertisement in last week's Gazette for details).

THE ARTS

Does a Festival of Arts sound like a good idea to you? It has been suggested that one be held in St. Albert next Easter and although we're not yet halfway through 1969 and 1970 may seem a long way off, it's not too early to start thinking and planning.

This Festival would involve all the Arts: painting, drama, singing, crafts, music, etc. etc. and would - hopefully - involve everyone who participates in any branch of the arts, either individually or as part of a group. Think about it - and if you have any ideas or suggestions, phone the department of parks and recreation at 599-6601.

Supper dance goes over big

About 300 people from the congregation of St. Albert United Church got together for a dinner and dance at the Club Mocombo May 13th. This was an excellent representation of the 300 families on the church roll.

The evening was purely social in nature, and planned to get people together in a community setting rather than a church-oriented activity.

Music was by St. Albert's Rock Holman and the Golden Nuggets and young and old alike reported a real good time. The people in charge were delighted to see everyone mixing well and obviously enjoying this type of an evening, which was something new in the way of a congregation get-together.

"Jamie showing arranged by parents

A group of interested parents is sponsoring a Family Life Education evening in the United Church on Monday, May 26, at 8:30 p.m. There will be a showing of the National Film Board's presentation "Jamie," followed by discussion groups under the guidance of trained and experienced leaders.

"Jamie" deals with a ten-year old boy, his older sister, his younger brother, and his parents. It brings into focus the feelings experienced by all the members of the family in their interrelationships. It is hoped that as the viewer comes to understand Jamie's family, a deeper understanding of himself and his own family will emerge, and the problems which inevitably arise in family life may be more easily dealt with.

This evening of Family Life Education is open to any interested parents, and is free of charge. It would be helpful for the planning committee to have some estimate of attendance in order that sufficient discussion leaders will be available.

If you plan to attend please contact Mrs. Vandenhoe at 599-7565 or Mrs. Upright at 599-6997.

Legalicho Choir enjoyed

The Legalicho Choir under the direction of Nicole Cyr assisted by Carmen Boissonneault with Mr. Lucien Paquin animator enchanted the audience with a concert reviewing some of the modern and folksongs that the choir learned during the past eight months. A tremendous amount of work time and effort was put in by the directors and the members to have accomplished so much in so little time. We realize once more that the students of our community are blessed with outstanding talents. We are very fortunate to have directors and leaders that give them the opportunity to develop these God-given talents. Some 35 chosen selections were sung by the group and also individuals. The Legalicho Choir has an orchestra that supplies background music. The members are: Denis Nault-piano, Leo Bergevin-drums, Richard Van De Walle-guitar and Denis Boissonnault-violin.

Halfway through the program Mr. Paquin lead every one in a "Pot-Pourri" sing song.

Following their last selection Nicole thanked Mr. Keane and Mr. Paquin for their continuous support, the members and especially the parents for encouring their children to participate.

Corinne Bergevin thanked everyone for attending and she also thanked their director Nicole and presented her with a token of appreciation on behalf of the members for her devotedness and perseverance in practicing and directing the choir.

Sister Potvin from the academie, the head leader of the choirs for the Edmonton region added interest to the evening by explaining what is the movement of the choirs "A Coeur Joie" to which the Legalicho choir is also affiliated. She also showed colored slides illustrating their trip (Nicole also went) to France last summer where over 4000 persons from all over the world gathered for 10 days to attend daily sessions and workshops. In the evenings they would get together and sing. She said no words can describe how fabulous the singing of such an enormous group can be.

To conclude an enjoyable evening coffee and cake was served.

ALWAYS CHECK TRIM AS WELL AS PRICE

Many markets that claim to trim their meats do only a token job. To give you full value, Safeway trims a leg of lamb like this:

Safeway's the place to buy

Leg of Lamb A change and a treat. Whole or Half ____ lb. 59c

See how we trim off excess fat and the long, heavy shank bone from Safeway Leg of Lamb. Some markets tuck the shank bone under the roast when it's packaged. It's important to check this point when you buy. At Safeway, trimming is done *before* weighing and pricing, so you don't pay for these waste parts. You get full value with a Safeway Leg of Lamb!

Huge crowd pays tribute at services for Ricards

On Tuesday morning, May 13th some 1,000 residents of northern central Alberta, gathered in St. John the Baptist R.C. Church in Morinville to pay their last respects to three victims of a car accident May 8. Rev. Alcidas Ricard, Andre Ricard, 38, and his wife, Mrs. Therese Ricard were all from the Morinville district.

Rt. Rev. Bishop Edward Gagnon of St. Paul officiated at a concelebrated solemn funeral mass, assisted by Monsignor E. Rooney of Westlock and Rev. Fathers C. Poirier, C. Prefontaine, A. Desjardin, H. Bois, L. Morrissette, R. Grandin, J. Redman, G. Lassonde, E. Fournier, R. Guerin, J. Feeley, A. Beaupre and J. St. Arnault.

The funeral procession was headed by Rev. G. H. Primeau, who officiated at the graveside ceremony in the Morinville church cemetery, where Mr. and Mrs. Andre Ricard were buried.

The body of Rev. Father Ricard was driven to Lafond from Morinville, where the last concelebrated mass was celebrated on Wednesday morning, May 14th in St. Bernard church with Bishop Gagnon officiating, followed by burial in the St. Bernard church cemetery in Lafond, in accordance with his personal wishes.

The evening before the triple funeral in Morinville the largest congregation ever to assemble in St. John the Baptist church, attended a concelebrated mass, conducted by Bishop Edward Gagnon, Rev. A. Beaupre, Rev. G. H. Primeau, Rev. Roland Berube and Rev. J. M. Martineau for the three deceased members of a pioneer family of Morinville.

A guard of honor by members of the Legal Council Knights of Columbus of which Rev. Father Ricard was a member, also represented the Grandin Council and the St Anne Council of which Andre Ricard was a member. The Morinville Fire Brigade of which Andre Ricard had been a member and one time as fire chief, also served as a guard of honor under the direction of Fire Chief Raymond McDonald. The Morinville Company of Guides of which two of the Ricard daughters, Carmen and Lillian are members were present en corps, under the guidance of Guider Zel McDonald.

Rev. Father Ferdinand Bourrassa, assistant pastor in Morinville, was director of the church services. Corporal David Rooke, RCMP Morinville detachment, was in charge of traffic during the funeral cortege.

After the funeral on Tuesday, the ladies of the Morinville community served lunch in the Morinville Centre to some 225 relatives, visiting friends and members of the clergy from all parts of Alberta and from Washington.

Rev. Father Ricard was born in Morinville, the son of the late Mr. and Mrs. Gustave Ricard. He received his primary schooling in Morinville under the direction of Les Filles de Jesus, who were in charge of all schools in Morinville at the time. He later attended Jesuit College in Edmonton, followed by his entry in St. Joseph Seminary. He was ordained priest on June 4th, 1939, by the hands of the late Archbishop John Hugh McDonald of Edmonton. He served in six parishes in the St. Paul diocese, during his pastorate, including Legal and Vimy. He built both the church and rectory in Mallaig.

He was an uncle of Andre Ricard, who also died in the same accident.

Rev. Ricard is survived by three brothers, and three sisters: Hector and Henry both of Morinville and Edmond of St. Albert. Mrs. Eva Menard and Mrs. Clara Brule of Yakima, Washington. Mrs. Rosa St. Onge, Regina. Also a large number of nephews, nieces and other relatives in the district.

Mr. Andre Ricard was also born in Morinville, son of the late Mr. and Mrs. Adelard Ricard. He was educated in Morinville and lived there all his life. After finishing school he began working for the Morinville Co-op store, and after his marriage to Miss Therese Franche, he built a home in town and became manager and operator of the Morinville UFA Co-op Service known as Andy's Co-op service. He was a charter member of the Morinville Fire Brigade and a member of the church council of which he became chairman recently. He also was a member of St Anne council, Knights of Columbus, the Morinville Sports association, and Morinville Savings and Credit Union, and an active member of L'Association Canadienne Francaise de l'Alberta.

Mrs. Therese Ricard was born Therese Franche, daughter of Mr. and Mrs. Ulderic Franche, in the Riviere Qui Barre district. She was married to Andre Ricard in June, 1956, in St. Emerance church by uncle of the groom, Rev. Alcidas Ricard. The couple were blessed with three daughters, Carmen, Lillian and Cecile and one son, Fernand, all at home, and aged between 11 and two years.

Mr. and Mrs. Andre Ricard are survived by Mrs. Ricard's parents, Mr. and Mrs. Ulderic Franche of St. Albert. Also several brothers and sisters, Mr. Roland Ricard of Morinville, Mrs. Gertrude Morris of Morinville, Mrs. Jeanne Laberge of Grandview, Washington, Miss Blanche Ricard of Montreal, Mr. Arthur Franche of Morinville, Mr. Marcel and Mr. Lucien Franche, both of Hinton, Mrs. Jeannette Vallee and Mrs. Yvonne Quastur of St. Albert, Mrs. Alice Franche of Fort McMurray. Also a great number of other relatives in the district.

Mrs. Ricard was a member of the Morinville CWL and a member of the Mother's Local executive. She was also a member of the Morinville figure skating committee. Both Mr. and Mrs. Andre Ricard were community minded individuals who supported activities for civic betterment.

They both served church and community during their 13 years of residence in the town of Morinville, and will be sadly missed by all the citizens of Morinville and district. To their children, who will remain in the family home and all the bereaved relatives. The community extends its sincere sympathy.

Lutherans study confirmation

A most interesting and informative study is presently taking place in all the Lutheran Churches; The Lutheran Church in America; The Lutheran Church, Missouri Synod; and the American Lutheran Church, and its affiliate in Canada, "The Evangelical Lutheran Church." It is a study on the rite and use of confirmation, particularly as it relates to communion.

A joint commission has made a thorough study and is presenting various proposals for each congregation to study and to evaluate. St. Albert Lutheran will begin this series of five studies this Sunday, May 25 at the 11 o'clock worship service. It will be a most helpful, informative, and we trust inspirational study, and all members and friends are urged to attend.

Many questions are being asked today, both inside and outside the church today, regarding pertinent positions and practices of the Christian Faith. Confirmation as it relates to 'first Communion' is one of them; what really does it mean. How does it relate to the entire Christian Faith and Life? Etc.

We invite you to come and share in this series of studies.

The Playschool Culmination Concert was held last week at the Recreation Centre, Sister Corrineau welcomed the parents and the guests and told the parents how much she had enjoyed working with them during the past year. The young children displayed very well their ability to sing, dance and recite. There's nothing more enchanting to everyone than to see these young ones perform in their own simple and charming way.

Father Martineau presented them with their diplomas promoting them to Grade 1.

Mrs Dan St. Martin reciprocated on behalf of the parents thanking Sister for her continuous efforts and patience preparing their children to attend school in the fall.

Petite Henriette Cyr presented Sister with a token of appreciation on behalf of the parents and children.

Coffee and cake was served to end the most enjoyable evening.
